

# Evosa

“The Evosa’s minimalist contemporary styling will complement any room.”

Designed by Peter Roth, the Evosa is the perfect chair for the most prestigious venues. The slender chrome plated steel frame and the option of knitted mesh or upholstered back creates a modern chair of outstanding design and quality.

The slim webbed seat and unique hidden back construction provides enduring comfort while maintaining a light weight chair that can be seat stacked up to 10 for the mesh-back chairs and 8 for the upholstered back chairs.

Evosa is available with or without arms. A powder coated frame can be specified. A separate plastic linking clip and a trolley are available.
